PERSONAL STATEMENT

A highly committed individual currently pursuing a bachelor's degree in Computer Science. Seeking an opportunity to serve efficiently and effectively in the area of Informatics and Computing of projects and maximize my experience and skills to enhance my professional career.

EDUCATION

Bachelor of Logistics, Namibia University of Science and Technology (NUST)	2024 - present
Namibia Senior Secondary Certificate (NSSC), Angra Pequena Secondary School	2022 - 2023

WORK EXPERIENCE

As I am just starting my professional career, I do not have prior working experience. However, I am eager to learn, grow, and apply my skills in a real-world setting. I am highly motivated and excited about the opportunity to contribute to your team and take on my first job, gaining valuable experience along the way.

Activities & Accomplishments

I am an experienced karateka with over ten years of dedication to the sport, having represented Namibia multiple times on the national team being both national and international. In addition to my athletic achievements, I developed leadership and communication skills as a member of the Learner Representative Council during high school. I was awarded Junior Sportsman of the Year in Luderitz in 2017 for my karate accomplishments, reflecting my discipline and commitment.

LANGUAGE

1. **English** - fluent, written and spoken
2. **Afrikaans** – fluent, written and spoken
